The price list included above is a special pricing for the residents of Mineville and the surrounding areas. Sampling collection services will be available on Wednesdays by calling Francine Walsh at 435-4891 to book an appointment, 9 am - 9 pm.

**Aqua Check** is an independent 3rd party water quality monitoring company. We do not sell or service water treatment systems. Our trained technician will come to your home, collect and document samples, ensure proper handling and chain-of-custody to a certified lab. Analysis results are promptly reported, verified and archived by Aqua Check.
